To Whom It May Concern:

It is with pleasure that I write his letter of recommendation for Olissio Zoppe and Cavallo Equestrian Arts. I booked the Ma'Ceo Acrobatic Equestrian Show for three weekends at the 50<sup>th</sup> State Fair in Honolulu in 2010. In addition to the six beautiful horses that performed in the act, the people in the show were extremely talented and, together with the horses, created an action-packed attraction that was a big hit at our fair. There was obviously a strong bond between animal and human as they worked together performing their stunts, which highlighted the talents of both in a beautifully choreographed performance.

The public thoroughly enjoyed the show, and I was pleased with the performance and the ease with which Olissio and I were able to work together. As one might imagine, it isn't easy to bring large animals to Hawaii, and it involves a lot of logistics. On top of that, the 50<sup>th</sup> State Fair is held on an asphalt parking lot, which meant we had to build a suitable performance arena. However, with Olissio's guidance, we got it done, and the show was well worth the extra effort involved.

Please do not hesitate to contact me if you would like to further discuss my experience with Olissio Zoppe and his Cavallo Equestrian Arts attraction.

Sincerely,

A handwritten signature in cursive script that reads 'Donna Smith'.
